video densitometric analysis 495
videofluoroscopy, back pain 77
volume conductor, neurology 164
volume measurements, cancellous bone 63

wall shear stress, coronary artery 101
water displacement volumetry 63
wear, UHMWPE sockets 711

X-ray
dual adsorptiometry 464
tissue characterization images 336

Young's modulus, soft tissues 512

zero-crossings analysis 572

BACK ISSUES OF THIS JOURNAL

SAVE UP TO 25% BY PURCHASING COMPLETE SETS

Customers wishing to purchase complete sets can do so at a saving of 25% off the individual volume price.

MICROFORM EDITIONS

Back issues in microform of Elsevier Science research journals are also available. For further information please apply to your nearest Elsevier Science office.

BACK ISSUES PRICE LIST

Full details of the rates of back issues of all Elsevier Science journals can be found in our Back Issues Price List. Please contact your nearest Elsevier Science office for a copy.

Back issues of this and all other Elsevier Science journals are available in hard copy. New subscribers to a journal may purchase back issues of that publication in hard copy edition at 25% discount off the standard price. Elsevier Science maintains stocks of back issues and orders may be placed with confidence at your nearest Elsevier Science office. Should any issue of a volume be temporarily out of stock at the time of ordering, a high quality photoduplicated copy will be supplied at no extra charge to complete your order.

COMMERCIAL REPRINTS

PUBLISH STRAIGHT TO YOUR MARKET

As a service to the commercial market we are able to offer you the opportunity to purchase **Commercial Reprints** enabling you to publish straight to you market.

Bulk reprints of a paper relating to your products or services can provide:

- ★ **a *valuable tool* for cummunicating with your prospective clients via direct mailings, exhibition distribution or for use in product information releases.**
- ★ **an *instructive means* of informing scientists of the applications of your products.**
- ★ **an *educational medium* for assisting prospective buyers in understanding the full benefits of your product.**
- ★ **a *valuable source* of information for your customers at the same time as increasing their awareness of your name.**

We are able to repackage papers for you to include company logos, advertising or further product information.

Any of the papers in this journal can be reprinted for your own commercial use. For more information please contact the address below.
